

Tradition meets the Modern World

Since turn of the last century, our premises on Preußerstraße 4-6 are known as a first address for hospitality. The formerly well-known „Patzenhofer“ was rebuilt until May 1981 in one-year. In this time the Steak-House Nr. 1 was constructed from the solid oak wood planks of a more than 100-year-old smokehouse. In summer 2012, we fundamentally renovated the Steak-House Nr. 1 and re-opened with the second generation of the former management. With the renovation in 2020, we expanded our premises to get a more spacious, modern and brighter ambience.

Quality is our top priority in the Steak-House Nr. 1. That's why we only use the best products for our dishes: high-quality meat, fresh vegetables, crunchy salads and homemade sauces. Our excellent steaks are the center of our cuisine. Therefore, we only use selected beef from the best feeding grounds all around the world and provide a changing steak assortment to give our guests the possibility to try a wide variety – we are constantly searching for something special for our guests.

Since 2020 a selection of tapas has topped off our offer. Whether as a starter, main course or for the little hunger with a glass of wine – we are pleased to offer our guest also delicious dishes outside of our classic steak range. Our expanded range of selected gins is also new.
